

INSECTA 2026

International Conference

on insects for food, feed and non-food
09-10 September 2026, Magdeburg, Germany

hosted by **ÖHMI**

INSECTA® 2026 Partnership Packages

The 11th INSECTA® 2026 International Conference will take place on **9–10 September, 2026** in Magdeburg, Germany, in a hybrid format combining on-site and online participation.

Take this unique opportunity to position your company as an innovation leader in front of international decision-makers from the food, feed, and non-food industries, and present your brand, products, and services to a high-calibre professional audience.

Why partner with the INSECTA® 2026 conference?

Your benefits as a partner:

- Strengthen your brand presence → Gain visibility in front of an international expert audience
- Open up new markets → Access to the growing protein market of the future
- Demonstrate thought leadership → Position yourself as an innovation leader
- Meet decision-makers → Direct access to managers & scientists
- Present your products → Exhibition space & presentation opportunities

Your target audience on-site:

- Thought leaders from the food, feed & non-food industries
- Senior-level managers from international companies
- Leading scientists from food technology & insect biotechnology
- Policy makers, media representatives & consumers

Our partnership packages offer flexible opportunities to increase your visibility at INSECTA® 2026.

If you are interested in a customized partnership opportunity, we would be pleased to discuss an individual solution with you.
